

GAISER'S COMMUNITY PARTNERSHIP BULLETIN

January 2017

GMS is the pride of its community, renowned for commitment to academic excellence & compassionate collaboration...

Here at Gaiser Middle School, we teach, challenge, and guide our students to leave a positive legacy. We are so fortunate to have all of you a part of our mission to make Gaiser Middle School a place where students form a positive foundation for the rest of their lives. The three goals of our community partnerships are: Provide basic needs for all students, increase families involvement in their child's education, and to offer adult mentoring and tutoring opportunities for students in need. We are excited to continue to work with all of you this year!

IN THE SPOTLIGHT: MERRY CHRISTMAS TO ALL

This Christmas season we were able to assist 56 families (63 students) with gifts and food. Through several of our partner's support we helped these families alleviate some of the stressful burden of this joyous time. We would like to especially thank BergerABAM for their new partnership. They went above and beyond to give one of our families a very special Christmas. This family even received a gorgeous tree to put their gifts under. We are beyond grateful and humbled by everyone's generosity. Though you may have not been able to see the relief and joy in these families' faces, please know your kindness was greatly appreciated.
